

ReliaVac® Upright Vacuums

- 4 models to choose from
- 7 amp motor
- CRI green label approved
- 50 foot safety yellow cord
- Low cost maintenance

The Clarke ReliaVac® single motor upright vacuums are easy to maneuver, strong on power, and designed for fast, low cost serviceability. Available in 12 and 16 inch cleaning paths, the ReliaVac gives you the power and pickup needed for all applications.

The ReliaVac 12 and 12DC are budget priced upright vacuums that are great for general cleaning on most any carpet pile. A steel brush roller and 50 foot power cord are featured on both models. A top-filling shake-out collector bag comes standard on the ReliaVac 12. The ReliaVac 12DC has a convenient, clear-plastic dirt cup that allows you to see when it's full. Just remove the dirt cup and dump. A zippered bag that holds disposable paper filter bags comes standard on the ReliaVac 12HP and 16HP. All models feature large rear wheels for easy maneuverability and a clear fan cover for ease of visibility of any blockage. The brush height can adjust to six settings to work effectively on a variety of carpets.

The ReliaVac® upright vacuums are easy to maneuver and designed for fast, low cost serviceability.

Trusted. Reliable. Efficient.
