Clarke®

Cleaning Power Since 1916.

Cleaner, safer, and more efficient than ever – drop the mop & bucket routine!

The Clarke® Vantage 13 micro-scrubber gives you big cleaning capacity for those small areas. The Vantage 13 delivers an even, consistent pressure over the floor for a deep, uniform clean with safety in mind. Armed with two sets of squeegees, the Vantage 13 recovers cleaning solution in forward and reverse. With the added controlled water usage, floors dry quickly without extended interruption.

The Vantage 13 features two tanks – easy to refill, to empty and to clean. The 13-inch cleaning path and low machine profile allows for micro-scrubbing in tight spaces.

The adjustable handle is ergonomic and fits the operator with comfort. With the compact folding handle, the Vantage 13 is very easy to lift, carry, and transport.

Handle folds over for compact storage and simplifies easy lifting and transport.

An optional combination tool for hard floor and soft floor use is available, making the Vantage 13 a dual purpose machine.

Universal symbols on control panel simplify operation.

Ergonomic adjustable handle for ease of use. Also allows for compact folding for tight storage spaces.

Easy to transport design and light weight make the Vantage 13 great for home cleaning applications.

Large recovery access makes cleaning the tank a breeze.

The disc brushes are surrounded by two sets of double squeegees for quick solution pickup, keeping floors dry.

Vantage 13

Compact Micro Autoscrubber®

Clarke®

Key Features

- Removable tanks for easy filling, dumping, and cleanout
- Simple controls
- Ergonomic handle
- Fold up compact design for storage and transport
- Exceptional water pickup in forward and reverse

SPECIFICATIONS

	Vantage 13
Part Number	9087238020
Cleaning Path	13"
Scrub Type / Pressure	Dual, 6.5" disc brushes / 33 lbs. (15 kg)
Scrub Head Speed	200 RPM
Scrub Time per Solution Tank	18 minutes of continuous scrubbing per tankful
Solution/Recovery Tank	1.8 gallons / 2.1 gallons (7.0 L / 8.0 L)
Sound Level	72.5 dB(A)
Power Cable	50' (15 m)
Squeegee Width	15.2", dual squeegees for pickup in forward and reverse
Dimensions (L x W x H)	Machine Body: 21.5" x 15" x 18" (54.6 x 39 x 46 cm)
Weight	51 lbs. (23.1 kg)
Approvals	ETL, CSA, CE
Warranty	3 Year Parts & 1 Year Labor

WHO USES THIS MACHINE?

- Healthcare Facilities
- Schools and Universities
- Restaurants
- Hotels and Motels
- Office Buildings
- Retail Stores and Malls
- Churches
- Residential
- Rental Consumers

WHAT DOES IT DO BEST?

- Cleans in tight and small spaces
- Picks up solution in both forward and reverse

WHAT MAKES IT EASY TO USE?

- Ergonomically designed handle
- Removable tanks for easy fills, dumps, and cleanups
- Folds up for easy storage and transport
- Compact design makes it easy to transport
- Simple and intuitive controls

WHAT ENHANCES ITS PRODUCTIVITY?

- Dual squeegees for pickup in either direction
- Optional carpet wand makes it a dual purpose machine
- Controlled water flow maximizes scrub time per tankful

WHAT ADDS TO ITS DURABILITY?

- Rugged Polyethylene body
- Durable non-marking wheels

WHAT ARE ITS SAFETY FEATURES?

- Leaves floors dry in forward and reverse
- Easy to transport
- Adjustable ergonomic handle
- Controlled water flow to enhance dry times
- ETL, CSA, and CE approved
